# 102 New Year's Would You Rather Questions to Ring in the Year

Printable question cards: 102 clean, family-friendly questions. Print, cut along the dashed lines and play.

**How to play**

1. One player reads a card out loud.
2. Everyone picks a side: stand left for the first choice, right for the second.
3. One person from each side explains why. Anyone can switch sides after hearing the reasons.

**Classroom idea:** use one card as a morning warm-up, a brain break or a quick writing prompt ("I would rather ... because ...").
