100 Would You Rather Questions for Coworkers

Printable question cards: 100 clean, family-friendly questions. Print, cut along the dashed lines and play.

How to play

1. One player reads a card out loud.
2. Everyone picks a side: stand left for the first choice, right for the second.
3. One person from each side explains why. Anyone can switch sides after hearing the reasons.

Classroom idea: use one card as a morning warm-up, a brain break or a quick writing prompt ("I would rather ... because ...").
